Are you ready to access AAP Red Book Online from anywhere - at any time? Follow these steps to sign up for the AAP Red Book Online App today!

1.) While on the CCHMC campus, visit http://redbook.solutions.aap.org/ and click the small arrow next to the Sign In button. Select "Create Account."

2.) Input your email address and name. Please note that the email address you input will be your AAP Login! Click "Continue."

3.) On the next two pages input your Account Information to set up your account with AAP. Click "Create Account" to finalize account sign up. Please note that it could take several hours for your account information to be completely finalized by AAP and ready for you to continue on to the next step - logging into the Red Book Online app.

4.) On your mobile device (iPhone, Android, tablet, etc.) visit either the Google Play store or iTunes and search for Red Book Online. Select AAP Red Book app and then click INSTALL.
5.) When the app has properly loaded, open the app. Use your AAP login that you created to login.

6.) Congratulations- you've successfully logged into the AAP Red Book Online app. In order to maintain access you will need to login to your account while ON A CCHMC CAMPUS every 120 days.
